

## **Declaration of compliance for the modified material PA 6 G Natural intended to come into direct contact with food**

*Name of company*                      Acoplastic A/S  
*Address*                                      Løvdalsvej 5, DK-3000 Helsingør, Denmark

We have made this declaration concerning the *material* PA 6 G natural made of cast polyamide 6 (cast nylon 6). The material is semi-finished and the declaration does not necessarily cover the finished product.

The material has been manufactured in accordance with the rules for good manufacturing practice, EC/2023/2006<sup>1</sup>, and there is a traceability system according to EC/1935/2004<sup>1</sup>.

The material complies additional with the following regulations and standards:

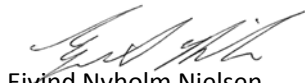

- ✓ EU/10/2011<sup>1</sup> Commission Regulation on plastic materials and articles intended to come into contact with food.
- ✓ US regulation FDA CFR 21 §177.1500<sup>2</sup>. In relation to test-report No. 1663682-01 of the SGS Institute Fresenius, PA 6 G may be safely used as articles intended to contact food.

It is the responsibility of the customer to determine whether the finished product and its intended use comply with the laws and regulations.

### **Reach Supplier Declaration**

Regarding REACH and Substances of Very High Concern (SVHC), (substances on The Candidate List) Regulation No. EU 1907/2006<sup>1</sup>, the supplier declares no use of SVHC substances above the information-limit of more than 0,1 % in the article.

Best regards,

Ejvind Nyholm Nielsen

Managing Director at Acoplastic A/S
